CAREER OBJECTIVE

I am Nazmul Haque Rafi, a computer science student with a strong passion for automation, DevOps, data engineering, and cybersecurity. I enjoy solving real problems, building efficient systems, and understanding how technology works at scale. Driven by a desire to learn deeply and work on high-impact technical challenges. Long-term goal is to grow as a DevOps engineer, data engineer, and security analyst.

EDUCATIONAL QUALIFICATIONS

â€¢ B.Sc in Software Engineering - Daffodil International University (SGPA: 3.75, 4th semester)

â€¢ Higher Secondary Certificate (HSC) - Netrakona Govt. College, Netrakona (Science, GPA: 5.00/5.00, 2020)
